MONTANA TWIST

Backing	Synthetic Backing (SB)
Manufacturing process	1/8" Saxony
Pile	100% 2-ply Heatset Polypropylene

Width	± 4 & 5 metre
Suitability	Heavy Non-Domestic
Effective pile height	± 8.5 mm
Total height	± 10.5 mm
Pile weight/sqm	± 1,360 gr
Total weight/sqm	± 2,390 gr

2-ply Yarn. This polyprop twist carpet uses a 2-ply yarn for superior performance and improved resilience. Especially created to match the most demanding of rooms.

Bleach Cleanable. This carpet is easy to maintain and therefore the ideal choice for family living. Inherent stain resistant and easy care for a less demanding floor.

Warranty. This carpet is backed with a 10-year stain and a 7-year wear warranty.

Flattening All carpets will show signs of wear in high traffic areas, whatever their fibre content. Regular vacuuming will help to minimise the effects, but customers must be aware that 'flattening' is a normal occurrence in areas of high use and not a manufacturing fault.

Matching The enclosed sample is unlikely to be from the same production batch as current stock so should be used as a guide and not as an exact match. Equally matching between 4 & 5 metre widths cannot be guaranteed.

Shading | Pile Reversal In cut-pile carpeting, shading or pile reversal may occur but this will not impact on its quality or performance. Occasions are extremely rare, and should not be considered a manufacturing or a material defect.

Stain Removal Regular cleaning will extend the life of your carpet and maintain its good looks for longer. Vacuum clean regularly and deal with spillages as soon as possible. This carpet is 100% fully Bleach Cleanable.

PRODUCT CHARACTERISTICS

bedroom lounge dining room hall

FEATURES & BENEFITS

- 40 oz 100% 2-ply heatset polypropylene twist

- Durable carpet, designed for heavy non-domestic use

- 32 stylish colours, available in 4 & 5 m widths
